

Rockwell Part

Rockwell Parts - The company of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for service, technology, delivery and quality. They believe in working within an environment which supports the utmost integrity with empowered collaboration, together with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of ecological stewardship and safety in how they do business. The company has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with any questions or comments, as they are happy to share and promote this policy with a greater knowledge of their efforts. They are extremely dedicated to improving and preserving the environment. AxleTech has an EHS program that not just protects the environment but which also actively protects their neighbors and employees too.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles meant for both commercial and military applications. These applications vary from airport ground support to construction equipment. AxleTech specifically designs axles to meet specific application demands. They have over 1000 different axle specs within their current offering. With more than 100+ years of history and knowledge, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The company is well known in many military and commercial applications. They offer complete axle assemblies for aftermarket replacement needs, together with servicing axle requirements for OE production. Their high mobility ISAS have further details which could be found in the "ISAS" product collection.
