

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known within the industry as strong and durable machines that satisfies the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide machinery, parts and warranty service for these scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
