

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy providing items that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs along with their knowledge of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both parts and technical support available when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable machine that ultimately reduces your cleaning expense. The price, the service and the product all work as one to make them an industry leader.
